FOR SALE BY

CHAS. STEIGERWALT,

130 East King St., Lancaster, Pa.

REMARKS.

To the coins remaining unsold from the Penn'a collection, offered a few months ago, have been added others that it seemed desirable to place on the bargain counter at cost or less to clear.

Most of the following pieces are of a moderate grade and suitable for the ordinary collection. Advanced collectors desiring very rare or high grade coins are referred to my catalogue of a $25,000 collection.

Absolutely no discounts from this list to any person. All shipping expenses, mail or express, must be paid by the purchaser. If to be sent by mail, registration fee must be added.

Send orders early, as if piece is sold, it may be impossible to duplicate it, at least as cheaply.
